- 2) If prior to playing any matches, a team is found to be out of compliance, the captain may pick which player(s) to remove to come into compliance. If a team is not in compliance with the Sixty-Five Percent (65%) requirement (i.e., has an ineligible player on its roster), all matches played by that ineligible player will be scored as a default in determining final standings. Ineligible player shall be defined as the last out-of-area player to register on the roster (as determined by that player's registration date).
- 3) For all advancing NAZ teams, the Residency Requirement shall be waived when a division of a league is unable to form for the lack of two teams (one team or none).

However, at the NAZ League Coordinator's discretion, and/or in consultation with team Captains, single matches or weekday play may be scheduled to accommodate Northern Arizona weather, shortness of daylight, or other special circumstances.
- 3) Divisions in Northern Arizona will play a **round-robin** format. The winner of the round robin will advance to the next championship level (as applicable).
- 4) Matches will be scheduled with a minimum 30-minute team warm up prior to the first match time.
- 5) A minimum of six (6) matches will be scheduled each Advancing season. This may be waived to a minimum of four (4) by the NAZ League Coordinator.

- 10) In the case of a potential total team default, contact the NAZ League Coordinator in advance to see if another solution is possible.

- 3) Please make the opposing Captain and team aware of the closest bathroom facilities and whether drinking water is available on site or not.

- 6) Captains must notify the opposing Captain (or representative) of known defaults at the earliest possible opportunity. Once given, defaults are final and may not be rescinded unless a match is rescheduled prior to the exchange of line-ups. The default notification MUST be done BEFORE line-ups are exchanged.
- 7) The USTA Point Penalty System shall be used when a delay or player no-show cannot be resolved. Default time is 15 minutes after the scheduled match time. Time penalties: 5 minutes or less, 1 game and the toss; up to 10 minutes, 2 games and the toss; up to 15 minutes, 3 games and the toss; after 15 minutes, default. Special circumstances may arise; **please attempt to reschedule or complete play prior to calling the Default.** If a match starts late, players are still allowed the 10-minute warmup period.
- 8) The order of individual defaults in NAZ local leagues is the same as the USTA National League Regulation 2.03K: Team Defaults. A team must have a minimum number of eligible players available to play in each team match in accordance with the following table or the entire match must be defaulted. The maximum number of positions that may be defaulted without defaulting the entire match is noted. When defaults are necessary, maximizing use of available players shall be determined by the defaulting Captain in accordance with TABLE 1 below.
